C.No. 18/IGP-INT/CAMP/TS/2022

Dt: 19.10.2022

TO WHOM SO EVER IT MAY CONCERN

We have purchased Raypure NON-UV Disinfection Lights of Different Wattages and Sizes in the Month of February 2022. The purpose was to offer better PROTECTION to our Staff and Officers from the AIRBORNE INFECTIONS like CoVid and Flu etc.

We have been using Raypure NON-UV Disinfection Lights for more than 7 months. We found the Lights performing well since installation. They are found safe for human occupants and no ill effects were observed. Their Antimicrobial action has been demonstrated to us by reduction of bacteria in the pilot test room, to our satisfaction.

We plan to acquire more numbers as and when requirement arises.

Yours sincerely,

Inspector General of Police,
Intelligence Department,
Telangana State.
